

MUSE outreach and dissemination status & progress

Alberto Lusiani

Pisa

MUSE meeting

23 June 2016

Completed activities

- UCL, 15 Feb 2016, 7 hours masterclass on Gm2 for about 120 students aged 16-18
- UCL and Liverpool, April, masterclasses for about 100 students (still waiting for confirmation and more quantitative details)
- have asked some material for the web site, still waiting

Planned activities

Mu2e

- one seminar per week on various aspects of Mu2e from July 7 to August 25 (D. Glenzinsky)

Planned activities

Gm2

- beginning of July, masterclass in Liverpool for about 100 students
- July 27 - August 2, for FNAL Italian Summer students
 - ▶ 1-2 seminars on Gm2 by Brendan Casey and Chris Polly (tbc)
 - ▶ 1 seminar by Jarek Kaspar on the Gm2 calorimeter (~agreed)
 - ▶ 1 seminar by Carlo Ferrari on the Gm2 calorimeter calibration system (~agreed)
 - ▶ 1 visit to Gm2 calorimeter lab (tbc)
 - ▶ 1 visit to Gm2 calorimeter calibration system lab (tbc)
- July 27 - mid September, for FNAL Italian Summer students
 - ▶ 1 seminar by Mark Lancaster on Gm2 UK activities
 - ▶ 1 visit to Gm2 UK lab in FNAL
- UK students
 - ▶ both UCL and Liverpool are training students and will bring some of them at FNAL in the Summer for training and work on the tracker. Still getting updated go get more quantitative figures about these activities.
